Not until the new Secretary is thoroughly briefed on this issue. Please do not proceed with further actions related to this issue until directed by me to do so. Thanks for your diligence on this issue, but we need to have Secretary Frank get up to speed and provide direction.

Kevin and AI,
In order to meet the December 18 deadline for the Governor's recommendation on PM2.5 containment areas, we must get the public hearing notice out in the next couple of days. Should we proceed with the public hearing notice? Please advise.
